## NACO Report

Students of Government College Barotiwala have shown their commitment to staying informed about important health issues by following the National AIDS Control Organization's (NACO) social-media handles. This initiative reflects their enthusiasm for learning about HIV/AIDS prevention and support. By connecting with NACO's digital platforms, the students have demonstrated an active approach to acquiring knowledge on key health topics and contributing to a more informed and compassionate community. This effort aligns with the college's mission to promote awareness, education, and social responsibility among students, empowering them to make a positive impact in their communities.
